

MOBIDEOS ANNOUNCES PARTNERSHIP WITH CELLMANIA TO OPERATE MOBILECAMVIEWER SERVICE

by Phil Leggiere

Thursday, 12 March 2009

mobiDEOS, Sunnyvale, Calif., a provider of mobile access to video surveillance and remote video camera monitoring, has announced that its MobileCamViewer service will now be run on carrier-class infrastructure from Cellmania, Mountain View, Calif., a mobile infrastructure provider.

The partnership allows users of MobileCamViewer to enjoy the security, reliability, and performance of Cellmania's carrier-class data center.
