

Transportation Market - Case Study

“Can get live information on what is happening at the business from anywhere and of course security. This gives us peace of mind and operational efficiency”

– Rene B, MovieMovers.com, Sun Valley, CA

Situation and Solution:

“We have about 12 Pelco cameras with Axis Video Servers installed on the premise. We watch these cameras remotely to monitor our business”

Phone and Network: Blackberry on the AT&T Network

Result:

“The benefit of using MobileIPCamViewer is operational efficiency and peace of mind”

MobileIPCamViewer provides live video surveillance on your cell phone. Visit www.mobileIPCamViewer.com to download a free trail and find out more
